

Educational Thoughts and Initiatives of Narendra Modi

Anu Jindal

Assistant Professor, Aklia College of Education

Abstract

Narendra Modi, the Prime Minister of India, has spearheaded numerous educational initiatives aimed at transforming India's education landscape. This research paper provides a comprehensive review of Modi's educational thoughts, vision, and initiatives, analyzing their impact on various aspects of the education system. Through an in-depth examination of policy documents, speeches, and government programs, this paper explores key themes such as skill development, digital education, promotion of Indian languages, empowerment of the girl child, holistic development, innovation, entrepreneurship, and environmental awareness. By critically evaluating Modi's educational agenda, this paper seeks to elucidate its strengths, challenges, and implications for the future of education in India.

Keywords: Narendra Modi, Education, Educational Initiatives, Skill Development, Digital Education, Indian Languages, Girl Child Empowerment, Holistic Development, Innovation, Entrepreneurship, Environmental Awareness.

1. Introduction

- 1.1 Background and Context
- 1.2 Objectives of the Study

2. Skill Development Initiatives

- 2.1 Skill India Mission
- 2.2 Pradhan Mantri Kaushal Vikas Yojana (PMKVY)

3. Digital Education Initiatives

- 3.1 Digital India
- 3.2 National Digital Education Architecture (NDEAR)
